AGAR DIPERHATIKAN BAGI MITRA KERJA :

1. Peserta lelang hanya dapat menyampaikan penawaran melalui system E-Bidding setelah mendapatkan notifikasi dari ANTAM melalui alamat email : **escm.admin@antam.com**.
2. Harga penawaran dapat diubah-ubah berulang kali sampai dengan batas waktu akhir pemasukan dokumen lelang. (contoh apabila close tender Pukul 14.00 WIB, maka otomatis system akan lock).
3. **“Surat Penawaran/Quotation bermeterai” (hardcopy)** hanya dilakukan 1 kali saja dan disampaikan pada saat pemasukan Dokumen. **Jika terjadi perubahan harga di system, dokumen penawaran hardcopy tidak perlu diubah.**
4. Pada saat memasukkan harga e-bidding untuk pertama kalinya wajib melampirkan/upload data **“Surat Penawaran/Quotation bermeterai” dan Bid Bond**.
5. Submit ke-2, 3, dst tidak perlu upload data **“Surat Penawaran/Quotation bermeterai” dan Bid Bond”**, hanya **merubah angka saja**. Peserta tender hanya dapat merubah dengan menurunkan harga, system akan menolak jika terjadi kenaikan harga.
6. Ada kemungkinan terjadi perbedaan harga penawaran antara penawaran hardcopy dan penawaran sistem e-bidding, maka **evaluasi harga penawaran akan mengacu pada harga e-bidding (system e-SCM)**.
7. Peserta lelang wajib menyampaikan penawaran baik hardcopy maupun aplikasi e-bidding. Jika keduanya atau salah satu tidak menyampaikan, maka dinyatakan **GUGUR**.
8. Harga penawaran melalui e-bidding tidak boleh lebih tinggi dari harga penawaran manual (*hardcopy*). Apabila harga penawaran e-bidding lebih tinggi dari harga penawaran manual (*hardcopy*), maka dinyatakan **GUGUR**.
9. Apabila peserta tender melakukan salah input penawaran di sistem, maka dinyatakan **GUGUR**. (contoh : seharusnya memasukkan harga yang benar sebesar Rp. 100.000.000,- tapi salah input di angka 10.000.000,-)

ATTENTION TO BIDDER :

1. Bidders can only submit bid quotation via system E-bidding (e-SCM) after received email notification from ANTAM from : **escm.admin@antam.com**.
2. Bidding price can be changed many times until the end of bidding time. (example : closing tender at 14.00 WIB (LT), system will be lock automatically after that time)
3. **"Stamped Quotation Letter/Bidding Price" (hardcopy) is only done once and submitted at the time submission of documents. If bidder will change bid price in the system, the hardcopy bidding document does not need to be changed.**
4. When submitted e-bidding price **for the first time**, it must attach/upload scanned document of the **"Stamped Quotation Letter"** and **"the bid bond"**.
5. Second, third and so on bids, do not need to upload data with **"Stamped Quotation Letter"** and **"the bid bond"**, just change the numbers. Bidders can only change by lowering prices, the system will refuse if there is increasing prices.
6. It is possible that there will be differences in bid prices between hardcopy bids and e-bidding system bids, so the evaluation of bid prices will refer to the e-bidding system bids (e-SCM system).
7. Bidders are required to **submit bids both hardcopy and e-bidding applications**. If both or one of them does not submit, then it is declared **FAILED / NOT PASS**.
8. The bid price via **e-bidding system must not be higher than the manual bid price (hardcopy)**. If it happens then declared **FAILED / NOT PASS**.
9. If a bidder **makes a mistake in the e-bidding system bids**, then declared **FAILED / NOT PASS**. (example: it should the correct price of IDR 100,000,000, but incorrect input in the IDR 10,000,000).
